

## Education For Employment Foundation - Egypt

### **Are you trying to hire Accountants, Administrative Assistants, Customer Service Representatives, Sales Representatives and/or HR Assistants for your company?**

*Are you able to hire strong caliber employees from employment fairs and advertisements alone? If like most employers, the answer is "no", then look no further...*

The Education for Employment Foundation - Egypt (EFE-Egypt) is a not for profit Egyptian foundation that brings job opportunities to youth and provides companies with high quality junior professionals.

As part of its new **Junior Professionals Training Program (JPTP)**, EFE-Egypt trains and qualifies university graduates to be Accountants, Secretaries, Customer Service Representatives and HR Assistants.

With an extensive track record in different industries such as the textile and banking sectors, EFE-Egypt is now launching this new program to graduate qualified junior professionals for small and medium sized enterprises across various industries.

#### **With EFE-Egypt, you will hire the right candidates at the right time:**

1. Minimal HR labor involvement
2. Minimal costs
3. Skilled, business orientated employees
4. Highly retainable, ready-to-work employees

If you are interested in hiring our graduates, please note that training is 8 weeks long. Participants must attend six days/week (Saturday to Thursday).

To hire our graduates please contact us by email at [Egypt@efefoundation.org](mailto:Egypt@efefoundation.org) or contact the EFE-Egypt office at Tel: +202 33 468 322.

*Thank you for giving us the opportunity to help you recruit qualified junior professionals.*
